

# HIGH PERFORMANCE POLY TANK FITTINGS - SIDE MANWAYS - VENTS FUME SCRUBBERS AND ACCESSORIES

Stainless Steel and Fiberglass Side Manways

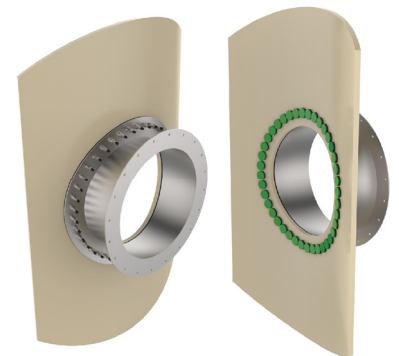

Until now, the functional capabilities of polyethylene tanks have been limited due to a relatively small selection of commercially available fittings and accessories. Today, CRP Tank Specialties, Inc. brings to market a wide range of high performance 6" - 24" tank adapters, side manways, vents, ladders, scrubbers and creative solutions to meet your unique challenges. Our fiberglass fittings and manways have been granted U.S. Patent no. 9,464,745.

Standalone and Insert Style  
8" Mushroom Vents

**Custom Solutions:** While our inventory is intended to satisfy 80% of your needs, we understand that there will always be unique requirements. Please be sure to let us know when you don't see what you're looking for ... there's a pretty good chance that we've solved your problem before. In most instances, we will be able to design and deliver a solution within 2 weeks and sometimes faster when necessary (we understand the urgency associated with chemical storage tanks). In addition, we offer a variety of:

- \* Pipe Supports
- \* Tank Mounted Mixer Bridges
- \* Repair Kits and Patches
- \* Complete Expansion Joint Assemblies

6"-24" SS and FRP Radiused Fittings

Complete Expansion Joint Assemblies
